

How do I switch my microphone in Virtual Classroom? Activities | Virtual Classroom

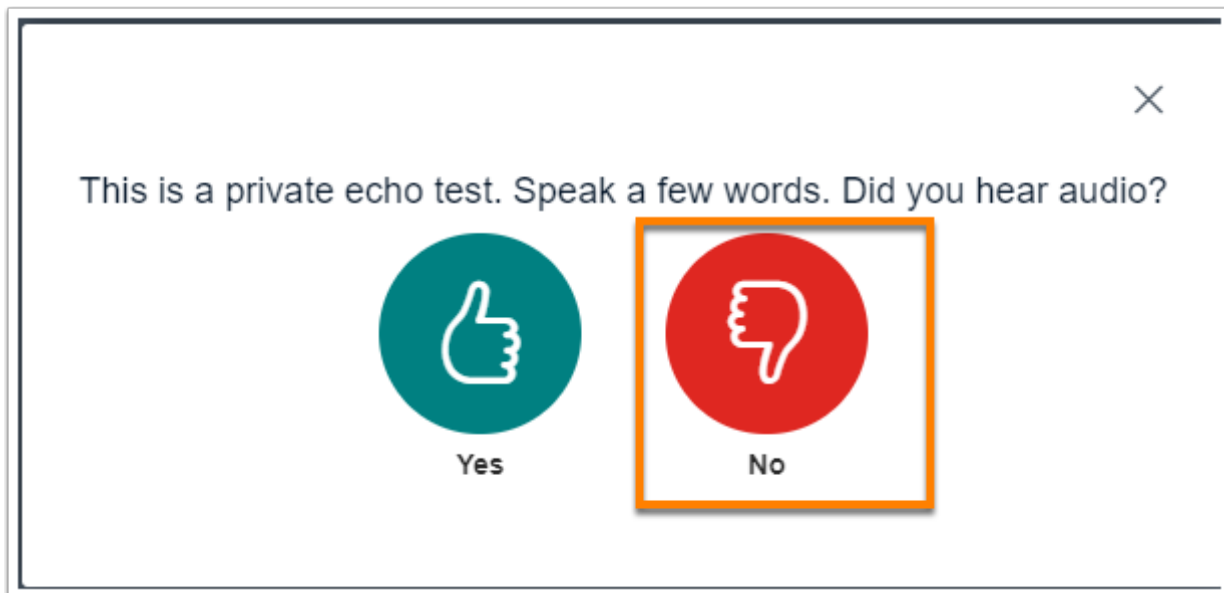

During a meeting you can change audio, for example if you made a mistake in the beginning.

- Click **Leave Audio**.

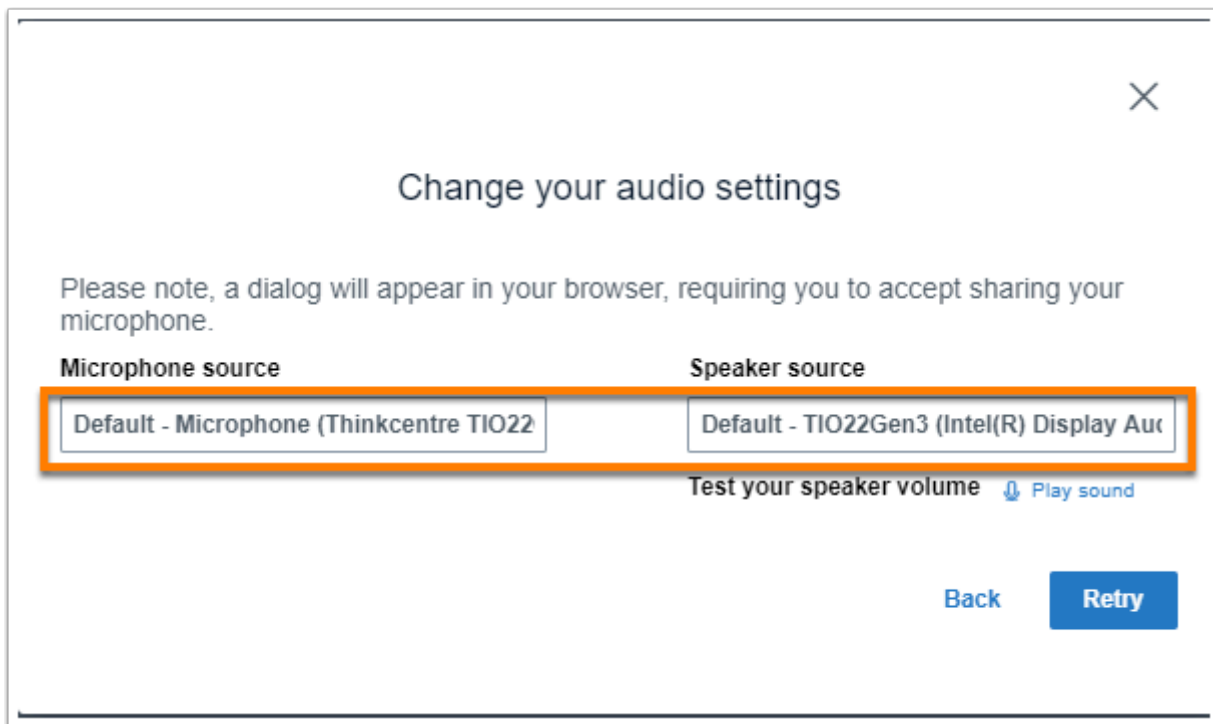

- Click **Join Audio** and then click **Microphone**.

- Click **No** after the echo test.

Werkinstructies

- You can now choose a new microphone and speakers.

If you want to switch cameras, click **stop sharing webcam** at the bottom of the menu. When you restart your camera you can set up the webcam and quality.
