Hoe download ik resultaten?

Nadat je een presentatie hebt gegeven met Wooclap, kun je de resultaten van je vragen exporteren naar PDF of Excel, zodat je die data kunt gebruiken in je werk.

- Open het evenement waarvan je de resultaten wilt exporteren

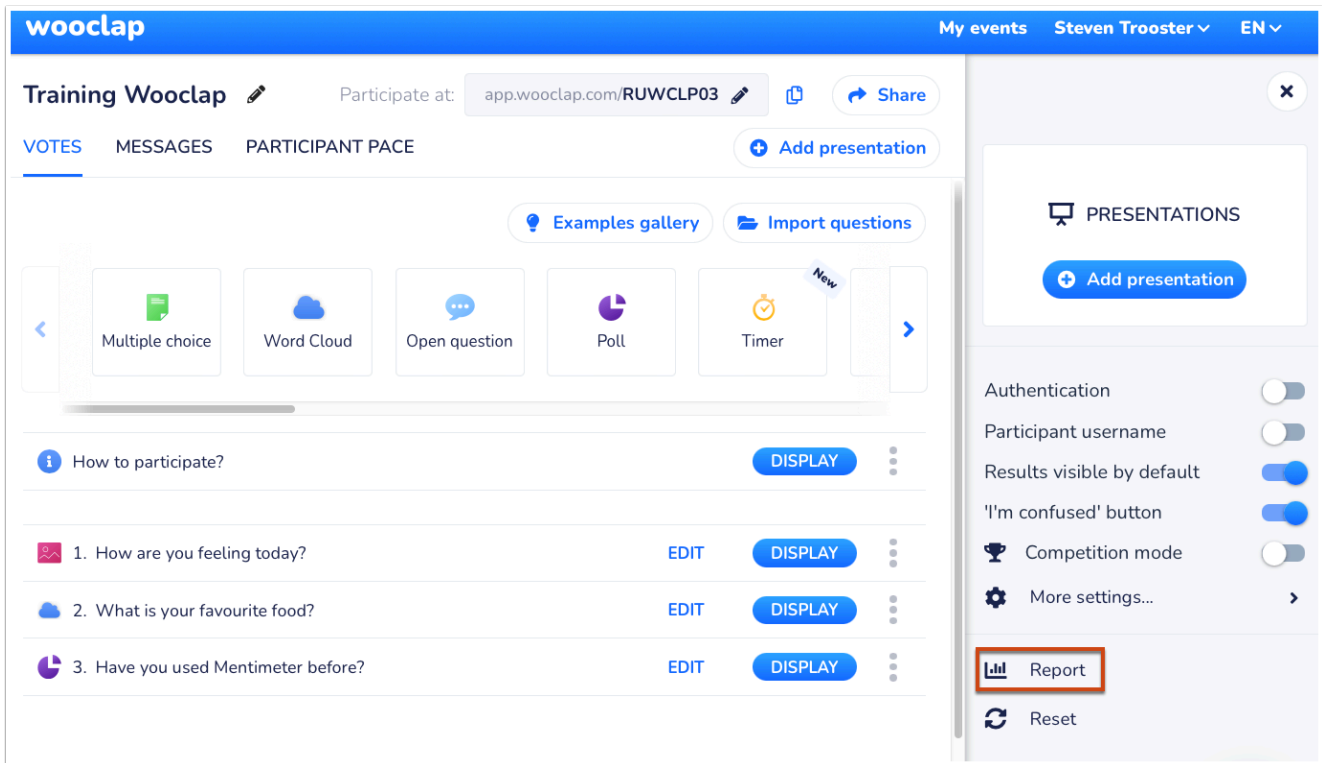

The screenshot shows the Wooclap interface for an event titled "Training Wooclap". The top navigation bar includes "My events", "Steven Trooster", and "EN". Below the title, there is a "Participate at:" link with the URL "app.wooclap.com/RUWCLP03". To the right of the URL are "Share" and "Settings" buttons. The "Settings" button is highlighted with a red rectangle. Below the navigation bar, there are tabs for "VOTES", "MESSAGES", and "PARTICIPANT PACE". The "VOTES" tab is selected. Below the tabs, there is a section for "Examples gallery" and "Import questions". Below this, there is a row of icons for different question types: "Multiple choice", "Word Cloud", "Open question", "Poll", "Timer", and "Slide". Below the icons, there is a table of questions. The table has three columns: the question text, an "EDIT" button, and a "DISPLAY" button. The questions are:

Question	EDIT	DISPLAY
How to participate?		
1. How are you feeling today?	EDIT	DISPLAY
2. What is your favourite food?	EDIT	DISPLAY
3. Have you used Mentimeter before?	EDIT	DISPLAY

- Klik op **Settings**
